Renovation Updates!

- Abby White, Manager

In the last six months, our community has seen some amazing changes! New sprinkler systems, new windows, new security, and new call alert buttons! Our memory care is complete and already full. The new wing with the deluxe one-bedroom remodeled apartments is making great progress and will be opening on February 15th! These deluxe one-bedroom units include private showers and beautiful views of the wooded property and picturesque front landscaping. New friends are moving in almost daily adding wonderful character and conversations to our community. It is a great time to be a part of all that is happening and all that is yet to develop. We are setting up tours and lunch for anyone interested to stop in and be a part of the excitement. Give Abby a call today for more information on Residential Care, Memory Care and Respite Care.
