Community Relations Coordinator Updates

Wow what a quick and warm summer that was, my kids have all returned to school entering grades 6th, 5th, 3rd and 1st at College Community School District. I am looking forward to the arrival of our families fourth little girl this month and all the fun family outings we will be going on this fall. My son started tackle football this year, my oldest girls are planning to play volleyball this season and my youngest enjoys gymnastics. We stay very busy this time of year with sports, school activities and enjoying the nice crisp weather of fall. It is also that time of year when people start looking for a new home for their loved ones with the upcoming winter. We have openings here at Corridor Crossing Place in our

Residential care community. Whether you are looking for a studio apartment or a one bedroom deluxe with a private shower and kitchenette we can meet all those needs. As an all inclusive community all the amenities of living at home are included in one monthly price. Please feel free to call me at the community 319-362-6868, or on my cell phone 319-775-3060 to schedule a tour. I am available if you have questions or concerns. I will always do my best to get you the information you need.

Community Relations Coordinator, Josie Doudney

Nurse Manager Updates

Hello friends! Things continue to change as we move forward. We are onward and upward here at CCP. Great news! The NEW BUS is here, and Tina has been taking it all over town with the residents. Senior living should be a part of life that is embraced, that is exciting and adventurous, and where new experiences are had and new memories are created. Every day should be in anticipation of excitement of trying new experiences and enjoying life. The CCP Bus is certain to help us embrace this philosophy! Please feel free to contact me at anytime with any issues concerns or questions you may have regarding our community and your loved ones. Work 319-362-6868, Cell 201-749-7763

Nurse Manager, Lisa Urbanek.

Maintenance Updates

Lyle Morrow our new maintenance coordinator has been plenty busy here at the community. He has been busy cleaning up the community outside and in. Lyle also continues to finish work request forms from our residents. Lyle has plenty of experience in maintenance as he flips homes, owns rental properties and has been doing construction his entire adult life.
